LETTER FROM COACH MIDDLEBROOKS...

Phantom Fans,

Thank you for taking time to pick up the 2013-2014 edition of our media guide. It is our way of presenting to the community our student athletes and giving businesses a way to advertise themselves to the Phantom community.

This year was a momentous one for the Cathedral Basketball Program. Our student athletes stood out as men amongst boys. They defied themselves and brought out a sense of greatness by making it to the State Championship Tournament. This season we had student athletes that played in Adidas Nations representing Brazil, NBA Top 100 Camp, the FIBA Under 18 in Qatar and more which will be expanded on in the media guide. If you are not yet followers, we hope that you will become that for the upcoming year. It is important that we come together as one family to support the efforts of these student athletes who give of their time and talents every day.

Visit us at www.phantombasketball.org or our facebook page at www.facebook.com/cathedralbasketball for more details about our program. We have over 11,880 people around the globe that follow us every day.

Thank you,

William Middlebrooks

COACH WILLIAM MIDDLEBROOKS

Cathedral High School announced the appointment of William Middlebrooks to the position of Head Boy's Basketball Coach on March 27, 2012. Middlebrooks arrived to Cathedral after spending seven seasons at the helm of the Ribét Academy boys' basketball program, along with 2 years as the Athletic Director. Upon his selection to lead the Phantoms, Middlebrooks said "I am thrilled at the opportunity to lead the Phantom basketball program. Cathedral has always been a well-respected college prep institution with a strong athletic tradition. This unique mix is not found at many high schools. The administrative leadership here at Cathedral has an excellent reputation and I am excited to work with this team of educators."

In just his first season at Cathedral, Middlebrooks led the Phantoms basketball program to a 2012-13 regular season record of 15-8, a complete turn-around for the program that went 6-20 during the 2011-12 campaign, 7 -20 during the 2010-11 season and finished tied for last place in the league 2 consecutive seasons. The 2012-13 Phantoms won 10 of their last 12 games, finished 2nd in the Camino Real League and advanced to the Quarterfinals of the CIF-Southern Section playoffs (Elite 8). Middlebrooks grew his career winning percentage to .700 (21-9) in the playoffs and .730 (46-17) in league competition.

Under the coaching guidance of Middlebrooks, the 2012-13 Cathedral Phantoms had a McDonald's All-American nominee, 1st Team All-CIF selection, 2nd Team All-CIF selection, 3 - 1st Team All-League selections and 3 - 2nd Team All-League selections. 2 of the 3 seniors in the Varsity starting line-up will go on to play college basketball. Josh Brown signed with UTEP (NCAA Division 1) and Rob White received an offer to play for the University of Dallas (NCAA Division 3).

Through seven seasons leading Ribét Academy, Middlebrooks owned a record of 117-89 (.568) overall, with a 38-15 (.717) mark in Harbor League play and a 19-8 (.704) CIF Playoffs record. Middlebrooks holds a 132-97 (.581) overall career record in his 8 years as a head coach, highlighted by a CIF Championship in 2010, 3 CIF Championship game appearances and two 20+ win seasons.

Middlebrooks left Ribét Academy as the longest tenured coach in school history as well as became the all-time winningest coach in school history at Ribét Academy back in 2009. While at Ribét, Middlebrooks produced several high profile players, including 1 Ball Is Life All-American (Gregory Sequele), 1 MaxPreps Freshman All-American (Tyler Dorsey), 3 McDonald's All-American nominees (Krys Faber, Gregory Sequele and Danovan Price), 1 CIF Player of the Year (Jon Conley), 1 John R. Wooden Award Winner (Jon Conley) and multiple All-State, All-CIF and League MVP selections.

Middlebrooks also led his teams to success off the court and in the classroom, as his Fighting Frogs achieved a team GPA of 3.7 and produced 2 Valedictorians & 1 Salutatorian during his 7 years tenure.

Coach Middlebrooks was named Harbor League Coach of the Year in 2010 and 2012. He also served as Vice-President of the Harbor League for 2011-12 and Basketball League Coordinator from 2009-12 for the Harbor League. Middlebrooks was Athletic Director at Ribét Academy from 2010 - 12 and served on the WASC Accreditation Committee for Ribét Academy in 2012. Dean's List 9 different semesters and holds numerous professional certifications.

With Coach Middlebrooks being highly respected by professional, college and amateur coaches globally, at every level, as well as by media outlets nationally, Martin Farfan (President), Brother John Montgomery (Principal) and John Ferrante (Athletic Director) have brought to Cathedral a brand name coach with unbelievable credentials. Head football coach Kevin Pearson was also extremely instrumental in bringing Middlebrooks to Cathedral as well.

According to Middlebrooks, “My goal is to build an internationally recognized program at Cathedral, that produces genuine student-athletes. I have been, and will always be, an academics first coach. I will always be a ‘do things the right way’ coach. There are no shortcuts to success. From my perspective, basketball is merely a tool that creates opportunities for those that are committed enough to take advantage of it. The likes of Dave Bing, Magic Johnson and Kevin Johnson are living proof of this. Basketball gave them a platform and financial base that they took to the next level. I want my players to do the same thing, all around the world. And I want my players to work together forever, beyond the court.”

Academically, Coach Middlebrooks graduated with Summa Cum Laude honors, earning a B.A. in Sports & Recreation Management. He earned A’s in 37 classes. Middlebrooks is a member of 3 national honors societies for his academic performance (Alpha Sigma Lambda Honor Society, Golden Key International Honor Society and Alpha Gamma Sigma Honors Society), was named to the Dean’s List 9 different semesters and holds numerous professional certifications.

IDY'S OWN WORDS
"There is more to me than what the fans and public see. While many players are thinking about their careers, prom and grades, I think about how to take what I have learned and help Senegal become better. I want to now take a shift in my country. Someone who takes a shift stands guard while everyone else is sleeping, working or trying to focus on what they have to do. It will soon be time for me to take a shift watching out for my family, town and country, ensuring that they have what they need to be successful.

My relationship with Coach Middlebrooks is strong and I have learned much from him. I cannot thank him enough for what he has done.

CHANDLER'S OWN WORDS

Basketball lets me escape from the real world and get into my own zone. It allows me to express myself in the way I want. It's the thing that makes me happy and puts me on cloud 9.

My future is bright. I see myself playing college basketball overseas or in the NBA. No plan B's for me and no second chances. Spain and China are on my list as go to places. For me, it's all about the bigger picture featuring loyal fans and the right teams. Belief is big and we cannot win without it.

This program has given me a basketball family that I never had before. Everyone cares about each other and you just feel welcome. I feel the program is run really well and beats out big wigs like Mater Dei with its structure. It has brought me more discipline and more determination as a person not just a basketball player.

'I've gotten better as a player, developed more physically and changed my perspective about academics as it relates to basketball. I am hungrier on the court and clear in my direction. Now, it is all about the sacrifices that I have to make including not being content but always striving for more as my parents taught me. That is why I love this program. Coach Middlebrooks is all about striving for more. His competitiveness fires me up and is the bond we share.

I love my teammates and they are truly my family. Yet, the thing I have learned most is to not fear anyone or any opponent at any time. But my biggest inspiration is my family, my mom and my dad. Love you guys."

TYRESE'S OWN WORDS
The game of basketball makes me feel like I have control, like I can take over something. This program changed my perspective about the choices I make. It made me look at how my old friends were doing at their schools, face the fact that they were not doing well and realize the real opportunity I have to get it right. I also lost weight which made me start dunking the ball.

My game changed a lot since being with Coach Middlebrooks. Before I came here, I was the captain of all the teams I played for. Once I started to play for Middlebrooks I started realizing it was time to shut up and learn and not make my own decisions on the court. My mental perspective has changed because of the intense work outs that he puts us through. Each day I have to fight through pain to get to where he wants us to be which brings me one step closer to reaching my goal.
